The proposal was submitted in November 2000, a \$1,000,000.00 budget was approved from the CPA department for restructuring in January 2001 and due to Merrill Lynch Company wide project cutbacks put on "Hiatus" March 2001. I completed all documents for concerning proposal in June 2001. The detailed proposal is 48 pages long and has several additional blueprints (not depicted). The museum was closed as a result of the events that occurred in September 11, 2001.
